ABHINAV PUBLIC SCHOOL
CU - BLOCK PITAMPURA

We Strive to inspire HOPE ,
Ignite IMAGINATION and
instil LOVE FOR LEARNING
among our students .

Our endeavour is to teach each one
of our students to redefine success
– not by the absence of failures in
life – but by overcoming them.

Our School has championed the cause of nourishing our rich culture, heritage and tradition while maintaining a progressive attitude towards the future needs, fostering academic rigour with a caring heart, and appreciating individuals with the warmth of a cohesive school community. We at APS, foster a positive spirit and believe in partnership between students, parents and teachers striving to create a milieu that sustains excellence. Besides academic excellence and intellectual development, the School endeavours to help each child discover and develop one's innate talents and abilities. It seeks to instil in the children proper habits, positive attitudes and values such as truthfulness, unselfishness, self-respect, self control, sense of duty, good manners, fair play, team spirit, dignity of labour, punctuality, compassion, freedom of mind and a rational and scientific approach. We are thankful to all our stakeholders- Management, Students , Parents and Teachers for their continued efforts and dedicated support during this Pandemic.

WORLD HEALTH DAY

EXERCISE IS KING. NUTRITION IS QUEEN.
PUT THEM TOGETHER AND YOU'VE GOT A KINGDOM.

World Health Day is celebrated on April 7 every year. The theme for world health day 2021 was 'Building a fairer, healthier world'. It is rightly said 'a Healthy mind resides in a healthy body'. To impart the importance of good health, children were taught to make good and healthy salads and were made aware about healthy and junk food. An interactive session was also organized where the teachers apprised the students of the kindergarten wing about good health and emphasized on good eating habits, washing hands before and after eating food, brushing twice a day, performing physical exercises and playing sports. The children also pledged to eat healthy and nutritious food to build healthy and fairer world.

SHOW & TELL

*Tell me and I'll forget:
Show me and*

I MAY REMEMBER;

Involve me and

I'LL UNDERSTAND.

A show and Tell activity was organised for Grade Nursery to strengthen the verbal skills and to foster public speaking competency of the young minds. The students brought their favorite objects. They excitedly shared their descriptive narration and waited eagerly for their turns. It goes without saying that students' involvement in this individual activity infused in them originality, self-confidence & self-reliance. The students' presentations helped them discover the power of spoken words. It was an interesting and a thrilling experience for the kids. It provided fun and a comfortable learning arena for everyone involved. This event helped our tiny tots to build their social, emotional and language skills.

MODERN OLYMPIC GAMES

Olympic Games are leading international sports events which have both summer and winter competitions. More than thousands of athletes from over 200 nations compete in varieties of games. This global event is held every 4 years. The first modern Olympic Games were held in Athens in 1896 which was inspired by ancient Olympia from 8th century BC. The International Olympic committee (IOC) which is responsible to conduct modern Olympic Games has also initiated Paralympic Games for athletes with disability and Youth Olympic Games for athletes aged between 14-18 years of age.

Currently, Olympic Games Tokyo, 2020 is going on from 23rd July 2021 till 8th August 2021 which is the 125th edition of the modern Olympic games held by IOC. There are more than eleven thousand athletes participating in 33 sports across 50 disciplines. This is the first time in the modern Olympic era that the games had to be postponed by almost one year due to the pandemic situation.

India is also participating in the Tokyo Olympics and 127 athletes are competing in 18 sporting categories. India has won one silver medal and Saikhom Mirabai Chanu has made us proud by winning it in weightlifting. India still has potential to win few more medals and I am sure along with me all Indians are praying for more and more athletes to be successful and win Olympic medals for India.

CREATIVE SOLUTION TO A CHALLENGING SITUATION

As we all know that we are going through a pandemic. The Vaccine for COVID-19 is invented now, so a ray of hope is illuminating in everyone's heart that this challenging time is now going to end soon and life of all human beings will be normal in a short span of time. 

But when this pandemic was at its peak in year 2020, when all markets, offices and even schools were closed it affected everyone's life, work and studies. The schools were closed and the most crucial step was to keep the students on track and keep them at par with their grade level education. But as we know that in our country lots of students belong to the rural and remote areas, so taking classes online was a big challenge for them owing to less amenities and lack of internet connectivity. Inspirational stories such as a student climbing a mountain everyday to attend his online classes brought motivation for everyone. Teachers travelling to places to teach their kids was also commendable. The children are the future of our country and the government should take necessary steps to tackle the problems being faced by the children in the remote areas. At the end we must aim at-

RAM NAVMI

Rama Navami, one of the biggest and most auspicious Hindu festivals in India, is celebrated on the last day of Chaitra Navaratri. The significance of the festival is that it indicates the victory of good over evil and establishment of dharma to beat adharma. This year Ram Navami was observed on April 21 which marks the birth of Lord Ram. With gleam of diyas and the echo of sacred mantras in the praise of eternal savior - Lord Rama, let us take an oath to follow the lead of Rama, the path he trod, the ideal he left aloft, and the ordinance he laid down for us!

VIRTUAL FANCY DRESS

Scholastic and co scholastic activities have an equal importance in school programme for the all round development of the child. Keeping this in view, an activity was conducted on the Virtual Fancy Dress

Competition for the children of Kg grade held on 23 July, 2021 to acquaint our little ones about diverse costumes of different states. A Virtual Fancy Show was organized in which our little angels with their smashing smiles spread their magic by enwrapping themselves in attires associated to different States. The show witnessed children walking the ramp exhibiting confidence and style. The purpose of conducting the competition was not only to blend learning with fun but also to develop confidence in the students by giving them an opportunity to show unity in diversity.

BAISAKHI

Baisakhi is one of the vibrant spring festivals of India. This is a very auspicious time for the people of the country. Several states like Tamil Nadu, Kerala, Odisha, Punjab, West Bengal and Assam, celebrate the Hindu New Years during this time. The students were told about the significance of this festival and the onset of the harvest season was celebrated with great enthusiasm by our kids. Children prepared beautiful fans, pasted pulses on corn and grew their own baby plants. The students looked stunning in their traditional outfits. The cheerful faces of our young ones add mirth to the celebration.

FATHER'S DAY & MOTHER'S DAY

Father's Day is a celebration that honors fathers and celebrates fatherhood, paternal bonds, and the influence of fathers on their children. On this Father's Day, our children pledged to make their fathers' smile and pamper them with lots of gifts and care. The event took off with a student-teacher interaction wherein children shared the qualities they loved the most in their fathers. They made beautiful momentos and ties for them. The children hugged their fathers and said a big thank you to them for all the things they do for them. It was lovely to see the father-child duo with big and cheerful smile. It was a memorable event for both of them.

Happy mother's day!

Mother's Day is a special occasion which is cherished and loved by everyone. This day celebrates the bond of love and affection that is everlasting and is something everyone can relate to. Keeping this bonding emotion in mind, we ensured to make this Mother's Day the most memorable and unforgettable for the students and their mothers. Our children prepared special and unique gifts for their mothers and offering them with utmost love. The mothers had splendid and contented smiles on their faces when their children surprised them with beautiful photo frames and momentos. The event concluded with children conveying their gratitude towards them for the unconditional love and care they bestow upon them.

DOCTOR'S DAY

India celebrates July 1 as 'National Doctor's Day' commemorating the iconic and internationally renowned medical practitioner, Dr Bidhan Chandra Roy who served as a physician, a freedom fighter, an educationist and a politician. On this day Abhinavians paid their homage to all the doctors who selflessly aided us in our time of need and tirelessly worked for everyone's health and well being. They made flashcards that expressed their thoughts for our superheroes. Our children truly reiterated that we must take out time to appreciate the doctors who put all their lives into offering services to others.

BIRTHDAY CELEBRATION

BIRTHDAY

Birthday celebrations are a brilliant and joyful way to teach the importance of small celebrations. They provide an opportunity to cherish and reaffirm the things that one must value. On the last day of every month we ensure to organize a virtual birthday celebration for the tiny tots of the Kindergarten wing. The children excitedly wait for their special day. This month they came adorned in beautiful outfits and had a fun filled birthday celebration with their peers, teachers and parents virtually. The festivity began with the cake cutting ceremony and concluded by tapping their feet to their favourite songs. Their beautiful backdrops and cheery faces made the celebration full of mirth.

QUARANTINE & VACCINATION CENTRE

QUARANTINE

When the national capital saw surge in Covid cases, shortage of beds and people struggling to find beds in hospitals, the school decided to set up a Quarantine Centre in collaboration with North India Club and Shri Ramlila Committee PU Block, Pitampura. It was a free of cost facility to provide some respite. The Quarantine Centre was well equipped with 50 beds and proper sanitation facilities. It had all the imperative services like concentrators, oximeters, medicines, healthy meals topped with expert doctors and staff. Patients below the age of 60 yrs, with a positive Covid report, an X ray or HRCT scan and oxygen level above 90 were eligible to seek admission to the facility. Oxygen Cylinders were also arranged to stabilize the patients incase the saturation falls. Also, an ambulance was present in the school premises to reach the nearest hospital in case of any emergency. The school's undying commitment to save lives and their thoughtful gesture towards humanity truly shined during the unprecedented times.

E-LEARNING

“COVID19 has ushered in a time of change and forced paradigm shifts in many areas. It has forced us to rethink the traditional school model and question the way we teach.”

We at APS, managed to beat the challenges faced during this pandemic by making students familiar with the usage of new technologies .E-Learning is the process of sharing knowledge through various channels such as e-books, CDs, webinars and more. The concept of e-learning is not new to the education sector. However, the outbreak of COVID-19 pandemic has fuelled schools need to leverage the technology platforms to drive learning initiative among students . There is heightened demand for schools to provide learning solutions to students using online platforms as the advantages far outweigh the demerits.
